

ANM et al-RM2017-3/7 Preface:

Material Supporting Expert Declaration of Kevin Neels and Nicholas Powers

I. Purpose and Content

The purpose of ANM et al-RM2017-3/7 is to provide the materials used in the analysis whose results are summarized in the Expert Declaration of Kevin Neels and Nicholas Powers (“the Brattle Declaration”).

II. Organization

In addition to this Preface, ANM et al-RM2017-3/7 consists of a zip file containing two directories. The table below provides the name and purpose of each directory.

List of Directories

Directory		
Number	Directory	Purpose
1	Scenario Analysis	Contains the results of, as well as the R programs and data used in the scenario analysis presented in Section IV.B.4 of the Brattle Declaration. Also includes a document describing the methodology and assumptions used.
2	Additional Calculations	Contains spreadsheets used to prepare other calculations provided in the Brattle Declaration, including Table 1.
